Margot – I have voicemails last night and this morning from:

1. Orest Wakinow, Scotia Bank, 4 [REDACTED]
2. Chris Chang, a “research analyst” from Toronto (also called N. Woo), 4 [REDACTED]
3. Nathan (last name indiscernible) from New York, 617-[REDACTED]

I think these are all investment-firm related calls, and our desk statement is probably appropriate, but thanks for fielding the incoming!

Importance: High

I just spoke with Margot regarding press inquiries and other inquiries (*e.g.*, Canadian research analysts). She said to direct all inquiries to their office.
